

KEMIGRO®

AMINO ACID

NITROGEN 9% w/v

- ✓ Easy absorbed form of organic nitrogen
- ✓ Amino Acids improve fruit quality & colour
- ✓ Amino Acids are a natural stress reliever
- ✓ Australian Manufacturer

Kemgro® Amino Acid has a high concentration of 17 Amino Acids that is a easily absorbed form of organic nitrogen. Amino Acids assist in the chlorophyll production, are a natural stress reliever and help strengthen cell walls, while acting as a natural chelation. Amino Acids are the building blocks for life, no wonder they are a powerhouse for plants! Filtered to 100 microns for easy application.

DIRECTIONS FOR USE Shake well or agitate before use. Always use diluted and do not exceed recommended rate per hectare.

BROADACRE: Use at least 80L/ha of water.

HORTICULTURE: Use at least 300L/ha of water.

AMINO ACIDS ARE THE BUILDING BLOCKS FOR LIFE

TYPICAL ANALYSIS	AMOUNT	UNITS
PH	6.8	units
